

Spirit & Truth is a movement of Wesleyan-minded Christians who seek to awaken and equip the 21st century church through the power of the Holy Spirit, to share the Gospel and make disciples of Jesus Christ. **We long to see Christians empowered by the Spirit, rooted in truth, and mobilized for mission.**

An equipping weekend with Spirit & Truth is an opportunity to learn from respected leaders about ways to spark a new movement of back-to-the-basics, power-infused, multiplying Christianity! Through Spirit-filled teaching, powerful worship, intentional prayer, and hands on learning, together we will seek to fan the flame of the Holy Spirit at work in us. Together we will call out for a holy fire, that the church might be fully alive in Jesus Christ.

Seeking renewal in our hearts. Pursuing revival in the church.

“Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks.”

Brent Taylor Live

Brent Taylor and his band, the Brent Taylor Live! Band, from Cape Coral, Florida will be leading our worship music and singing for the STIR UP THE FIRE! Conference. Brent is a multi-talented musician, singer, worship leader, song-writer, and preacher. His band is currently engaged in doing concerts as part of their GOD BE PRAISED! Tour.

Brent describes himself as a mix of Black, White, and Native American. As a baby he was adopted by Christian parents who not only adopted another child, but also felt led to serve as foster parents to more than a hundred children through the years.

As a young person, there were some people who considered him as "too black," while there were others who considered him "too white." Today, he has a passion to minister to youth and young adults through music, word, and testimony. As one way of doing ministry, Brent serves as shepherd of an online virtual Christian community that can be accessed through his website. Also, he enjoys serving as the Youth Pastor for a church near his home in Florida.
